

Dear Church Family,

As this period of isolation and closure continues, we have decided to return on one service, 10:00. There are a number of rules we must observe and some safeguards we are putting in place. If you are not sure you want to attend in the building, we will have an FM transmitter (Channel 95.5) so you can stay in the car and still be part of the worship.

1. Each service is limited to 50 people, not counting organizers (Bruce & Sherry, and others on worship team.)
2. There will be no personal contact. Sorry, NO hugs, hand shakes, and kisses on the cheek. Maintaining social distancing will be important.
3. We will need to wear masks. If you don't have one, and we would appreciate your bringing your own, we will try and have a few on hand.
4. We removed several rows of chairs to add space between them. Families can sit together but non-related people will need to leave a seat or two in between.
5. When you enter you will get a bulletin and pick up an individual communion elements cup. The offering box will be at the entrance to the sanctuary for your offering. Nothing will be passed during the service except the record of attendance. We do that anyway and keeping track is requested though not required.
6. Restrooms will be limited to two people at a time.
7. There will be no children's church or nursery. (It will be open so you can change your child or take them back if they get fussy.)
